Unit 1 review

Notes shut. Pencil first, then mark your own work in a second colour. What you had to correct is the point.

1. Name three kinds of water and the ruling on using each for wudu.

2. Name the categories of najasah and how each is removed.

3. List what breaks wudu, marking what is agreed and what is differed over.

4. State the principle that settles doubt about purity, with its evidence.

5. Give both positions on one differed item, with the basis of each.

4	☐	☐	☐
5	☐	☐	☐

THIS UNIT WAS FOR THESE THREE

- ☐ Judge whether given water may be used for wudu, and say why
- ☐ Remove each category of najasah correctly in a described situation
- ☐ List what breaks wudu with the evidence for each

Tick only what you can do without help. These are the Academy's own outcomes for the unit, and they are what is actually being tested.

For the teacher

Insist on the mark against each item: agreed, or differed. A student who cannot tell the two apart will one day correct somebody who is following a valid position.

Unit 2 review

Notes shut. Pencil first, then mark your own work in a second colour. What you had to correct is the point.

1. List the obligations of wudu and three of its sunnahs.

2. State the causes of ghusl and describe how it is performed.

3. State the conditions permitting tayammum and describe how it is done.

4. Give both positions on one differed point in this unit, with the basis of each.

5. Give the verse of wudu and the verse of tayammum, with references.

2	☐	☐	☐
3	☐	☐	☐
4	☐	☐	☐
5	☐	☐	☐

THIS UNIT WAS FOR THESE THREE

- ☐ Perform and describe wudu distinguishing obligation from sunnah
- ☐ State the causes of ghusl and perform it in the correct order
- ☐ Decide correctly, in a given case, whether tayammum is permitted

Tick only what you can do without help. These are the Academy's own outcomes for the unit, and they are what is actually being tested.

For the teacher

The outcome is performance, not recitation. Have the student describe wudu aloud in order while you listen. Most errors appear in the order, not in the list.

Unit 3 review

Notes shut. Pencil first, then mark your own work in a second colour. What you had to correct is the point.

1. Name the conditions of a valid prayer.

2. List the pillars in order.

3. State what is done for omitting a pillar, an obligation and a sunnah.

4. State the causes of sujud as-sahw and what is done for each.

5. Explain why a prayer before its time is not accepted, with evidence.

5	☐	☐	☐

THIS UNIT WAS FOR THESE THREE

- ☐ Separate condition from pillar from sunnah, with an example of each
- ☐ Say what a worshipper must do after a named mistake, and why
- ☐ Explain why a salah prayed before its time is not accepted

Tick only what you can do without help. These are the Academy's own outcomes for the unit, and they are what is actually being tested.

For the teacher

This unit decides whether the student prays correctly for the rest of their life. If anything is to be retaught, reteach this.

SAMPLE PAGES

You have read a few pages. The book is longer.

What you are holding is a short sample, taken from different parts of the book so that you can see the teaching, the exercises and the standard of the Arabic before you decide.

The complete book, and the rest of the set, are on our website. Nine subjects, four semesters each: a textbook that teaches the week and a workbook that examines it.
