Unit 1 review

Notes shut. Pencil first, then mark your own work in a second colour. What you had to correct is the point.

1. Give al-Muzzammil 73:4 and explain what it commands.

2. Name the five places of articulation in order.

3. Write the isti'adhah and the basmalah, and say which surah omits the basmalah.

4. Explain the difference between obligatory tajweed and excellence in it.

5. Give the hadith on the skilled reciter and the one who finds it hard, with its reference.

4	☐	☐	☐
5	☐	☐	☐

THIS UNIT WAS FOR THESE THREE

- ☐ State what makes tajweed obligatory, and name the evidence
- ☐ Point to the five main places of articulation on your own mouth
- ☐ Begin a recitation correctly from the middle of a surah

Tick only what you can do without help. These are the Academy's own outcomes for the unit, and they are what is actually being tested.

For the teacher

The two reward hadith is a consolation for the one who struggles, not a claim that they have overtaken the fluent reciter. Teach it that way. A child told that struggling earns more will stop trying to stop struggling.

Unit 2 review

Notes shut. Pencil first, then mark your own work in a second colour. What you had to correct is the point.

1. Name the four rules of noon saakin and the letters that trigger each.

2. Give the six letters of izhar and say what they share.

3. Explain why two of the yarmaloon letters take no ghunnah.

4. Find all four rules on a page chosen by your teacher.

5. Hold a ghunnah of two counts, measured.

5	☐	☐	☐

THIS UNIT WAS FOR THESE THREE

- ☐ Name the four rules and the letters that trigger each one
- ☐ Find all four rules on an unseen page of the mushaf
- ☐ Hold a ghunnah of two counts without exaggerating it

Tick only what you can do without help. These are the Academy's own outcomes for the unit, and they are what is actually being tested.

For the teacher

Exaggerating the ghunnah is the commonest fault a teacher introduces and then cannot remove. Demonstrate it plainly. A child copies the teacher's voice long before they understand the rule.

Unit 3 review

Notes shut. Pencil first, then mark your own work in a second colour. What you had to correct is the point.

1. Name the three rules of meem saakin with their letters.

2. Explain how to tell a sun laam from a moon laam by sight.

3. Give the rule for the laam in the name of Allah, with examples both ways.

4. Read an unseen page applying the meem and laam rules.

5. Say why the laam of a sun laam is written but not pronounced.

5	☐	☐	☐

THIS UNIT WAS FOR THESE THREE

- ☐ Apply the three meem rules correctly while reading aloud
- ☐ Tell a sun laam from a moon laam before reciting the word
- ☐ Say the name of Allah heavy or light according to what precedes it

Tick only what you can do without help. These are the Academy's own outcomes for the unit, and they are what is actually being tested.

For the teacher

Most students can state the sun and moon rule and still cannot see it on the page. Make them mark the page before they recite, every time, until the eye does it.

SAMPLE PAGES

You have read a few pages. The book is longer.

What you are holding is a short sample, taken from different parts of the book so that you can see the teaching, the exercises and the standard of the Arabic before you decide.

The complete book, and the rest of the set, are on our website. Nine subjects, four semesters each: a textbook that teaches the week and a workbook that examines it.
