- ☐ Explain where obedience to a parent stops, with the evidence
- ☐ Describe three things I will actually change this month

Tick only what you can do without help. These are the Academy's own outcomes for the unit, and they are what is actually being tested.

For the teacher

Some students in any class have a parent who has genuinely harmed them. Teach the general rule to the class and the exception privately, and never require a student to describe their home aloud.

Unit 2 review

3. State the three signs of the hypocrite, with the hadith and its reference.

4. Explain what the scholars say about the meaning of hypocrisy here.

The counting exercise is the one that works. Ask for the number only, never for examples, and never compare two students' numbers.

SAMPLE PAGES

You have read a few pages. The book is longer.

What you are holding is a short sample, taken from different parts of the book so that you can see the teaching, the exercises and the standard of the Arabic before you decide.

The complete book, and the rest of the set, are on our website. Nine subjects, four semesters each: a textbook that teaches the week and a workbook that examines it.
